## PLATTSBURG LISTS IN ARTILLERY ARMS

New York Candidates Who Will Take Special Courses in South.

OFFICERS ARE ASSIGNED

Many Aspirants for Officers' Commissions.

Plattenus, June 14.—The first month the Plattsburg Training Camp came close to-night, and to-morrow will species and close to-night, and to-morrow will species. First Republication of the plattsburg training Camp came close to-night, and to-morrow will species. First Republication of the plattsburg training Camp came close to-night, and to-morrow will species. Coast and Field Branches Draw

o a close to-night, and to-morrow will Hayward, I M ogin the reorganization of both the New York and New England regiments. The day was a particularly busy one for the members of the camp who have been selected for the coast artillery and engineers, for in addition to their regular camp duties they were called upon to turn back to the camp quartermaster such part of their equipment as they will not take with them when they leave here to-morrow afternoon by special train, the former for Fort Monroe and the latter for a camp near Washington, the order sending the engineers to Belvoir having to-day been changed.

The following candidates from the New York regiment for commissions in he field artillery are assigned to that branch of the service:

More Blanks Provided, but Only 100,000 Names Recorded on Fourth Day.

Men between the ages of 18 and 45 the poorer classes. Many active propa-who received slips from the State census leave of the city since the law went into takers notifying them of enrolment in effect. which say that persons claiming exemption must file an affidavit with the County Clerk within fifteen days. No one need go to the County Clerk. This is official. The State made a mistake— it admits it. In issuing the troublesome red slips it was acting under a State law, which has been superseded by the

national defence act. Thus far, however, the census directors have not given the registrars directions which would relieve the public of irritation and bewilderment in the re-maining nine days of the census. The maining nine days of the census. The red slips still say in effect, "Go to the County Clerk within fifteen days if you claim exemption." If each registrar were instructed to strike out with a pen or a cancellation stamp all the printing on the back of the slips not yet distrib-uted all further confusion would be

The elituation was clarified yesterday by an opinion from Attorney-General ewis. It was given in reply to a letter from Adjt.-Gen. Stotesbury, who said that he and the census people thought that no matter whether claims for ex-emptions were filed with the County Clerks or not, men seeking exemption could lay their claims before the military boards if, at some future time, a draft was ordered for State militia service. The Attorney-General sustains this con

Nullified by Federal Act.

Mr. Lewis points out in his opinion that after the adoption of the national defence act the State law was amended to make the State definition of the militia Legislature failed, however, to change the State law defining certain classes of exemptions and instructing all men en-rolled in the militia to make their exemption claims before the County Clerk within fifteen days from the time of en-rolment. Many of the exemptions in the State law are not permitted by the new

"While it may have been the intent of the Legislature," says the Attorney-General, "to provide that one who did not claim exemption within fifteen days after notice of enrolment would be deemed conclusively to have waived his right to

"The right to exemption is derived from the Federal law, and I do not think Kenny, J. E. Wilson, F. H., Jr.
Capt. N. B. Rehkopf, U. S. Field
Artillery, has been assigned to command the Field Artillery battalion.
First Lieut. J. F. Barnes, U. S. Field
Artillery, will command the First Battery: First Lieut. Vincent Myers, Field
Artillery, will command the Second Battery, and Capt. W. H. Dodds, Jr., will
command the Third Battery.

The following are the New York Bathat failure within fifteen days after a notice of the State enrolment to file with the State authorities a claim of exemp-tion would constitute a bar to the right tion would constitute a bar to the right to claim that exemption at the time of the draft, under the Federal statutes. The duty to serve and the right to be exempt from service are both matters in which the Federal law is now paramount, and I do not think the technicalities of the State law should be deemed

Cavalry Assignments.

The following named candidates of the New York regiment for commissions in the cavalry are assigned to Instead of being hauled enrolment sips. Instead of being hauled to the central storehouse they were dis-tributed throughout the city from Grand Central Station. More blanks will arrive every day until all danger of shortage is

every day until all danger of shortage is passed, it was said
"It may sound funny, but it is true."
Mr. Goodrich said, "that the trouble was due to our desire to make things easier for the people. We sent blanks to schools, churches and other places where it was natural to assume many persons would register. But a great many, such as women who do not wish to tell their neighbors all about themselves, have flocked to other parts of the city, creating there a shortage never figured on. Likewise men employed in factories, stores or shops, unwilling to give their employers too much information, have not registered in the places where they work. In the absence of previous ex-In the absence of previous experience these things have caused con-fusion and forced a redistribution. But we have now checked up on a basis of four days registration and have sent out blanks accordingly."

Must Sign Before Registrar.

Department stores and other stations that had raised distress signals were all supplied by 9 o'clock yesterday morning by an automobile force of vol-unteers working from midnight. Under a new order issued by Mr. Goodrich blanks that have been filled

out at home must be accepted at the census stations, but signing must be done at the station in the presence of done at the station in the presence of the registrar. If the signature has been written at home, the person must sign again at the station. No more blanks will be distributed for home use.

An indication of the heavy registration in Manhattan was given yesterday in a report that 234,189 persons had enrolled at stations not including public and parochial schools and department stores. The total registration for the

and parochial schools and department stores. The total registration for the four days is about 1,000,000. Mr. Goodrich believes that more than 3,000,000 persons will have been registered when the census ends on June 25. Capt. G. G. Henry. the State director, estimates the number as 2,800,000.

Capt. Henry, who was in New York yesterday, had receipts showing that 3,542,000 blank forms were shipped to New York from Albany on May 24—more than enough for the entire census in this city. He said there was no confusion in my of the forty-eight up-State counties that had reported. Nassau

In this city. He said there was no confusion in my of the forty-eight up-State counties that had reported Nassau county reported that it would complete its census this week and without any disorder, "thanks to the efficiency of the Woman Suffrage party," which has had charge of the job.

The National League for Woman's Service, which is running the census in the Twenty-third Assembly district, Manhattan, had five volunteer automobiles distributing blanks yesterday. M'as Edith Brownell, the district supervisor, had policemen assigned to ten of her stations.

The "workshop" at 49 Lafayette street, where the census returns are being tabulated and classified, now has 1,000 employees at work. Most of them cost the State nothing, as they are volunteered by business firms from their own forces, including those of the New York Life and Metropolitan Life insurance companies, Burns Brothers, the Otis Elevator Company, the Hanover National Bank, "Illiam Salomon & Co., and the insersoll-Rand Company.

**FOLLOWS ZONE EDICT** MILITIA EXEMPTION About 30,000 Have Failed to Apply for Permits.

> from New York city is now under way was the belief expressed yesterday by Edwin M. Stanton, Assistant United States Attorney, who is supervising the investigation of some 20,000 enemy allens who have filed applications for permission to enter the barred sones.

> Mr. Stanton pointed out that of more than 60,000 Germans who obtained application blanks 30,000 failed to fill out and return them. From his investigations Mr. Stanton has learned that innumerable numbers are pouring into the country districts, particularly those of

taking of the State military census there is one bright spot-Westchester county. where the work is proceeding in quiet and orderly fashion and in some of the In White Plains there remained last

night only a few atreets to be covered. inland navigation courses where they can follow their vocations free from the restraint enforced everywhere along the count of shortage of forms, for the count of shortage of forms, for the count of shortage of forms, for the suffragists saw to it before they started to Mrs. Belknap that some came overwhelming. It took him three fore, these men broke down and offered that they had plenty of everything.

Mrs. Frank A. Vanderlip says that's making mistakes She traced that enumerator by phone and in hexause the women are doing it. West-half an hour had told her exactly how had a hour had told her exactly how back in the service as Sergt. Weller and their refused their ples. that they had plenty of everything.

Mrs. Frank A. Vanderlip says that's because the women are doing it. West-chester is one of the very few counties—
Nussau is another—where the authorities accepted the ofter of the New York State Women Suffrage party to take the ceneral entirely off Gov. Whitmans hands. Suffragists are doing a large part of the work in many greater New

York districts, but only in one or two be hurled into the air, some of them busy stirring up her neighbor women to buy Liberty bonds Mrs. Vanderlip in fragments.

Busy stirring up her neighbor women to buy Liberty bonds Mrs. Vanderlip still finds time, in spite of her six children and the Liberty Loan work, to keep the six of the six in touch with the census, but Mrs. Belknap comes down from her home in Oscawanna and sits all day long in the census offices in the Court House in White Plains, where a score of young women are emplayed sorting and classi-fying the piles of filled in forms turned in by the 15,000 suffragists doing hous to house canvassing.

Praises Women Workers.

frouble writing in it, and with a place for pencil and fountain pen at the back. Of these equipments, 4,000 were delivered before the census began: \$1,000 worth of fountain pens were among the necessities laid in by the provident suffs, who are financing the whole thing Miss O'Brien and Miss Walker of Tarrytown saw to getting the forms, and when these weren't delivered promptly from Albany. Miss O'Brien got into her flivyer and went for them—and if flivver and went for them—and if Albany couldn't produce enough Mrs. Vanderlip had them printed.

Abandons Man's Cap. Once yesterday the forms ran short. and Miss Emily Lindsley of Larchmont.

trust departments.

STARS IN CENSUS

Who had rushed to the court house in her military looking khakt census costume for a supply, was disgusted.

That's the way Albany does things!"
That's the way Albany does things!"
The sunbonnet for mine!"

Many stories of funny or touching answers to the questions on the blank do the enumerators bring in. One man wrote that he had ten children, but his brother helped to support them.

brother heiped to support them.
"Do I give some to him on the census?" he asked.
One woman, asked in what occupation she had had most experience, replied:

half an hour had told her exactly how the answers should be recorded.

# GUARDSMEN ACCUSE CASHIER OF BANK
